OBJECTIVE

Recent graduate seeking a Junior Backend Developer / Internship position. Focused on Java and Spring Boot, with hands-on experience building REST APIs and working with relational databases. Eager to apply and grow these skills in a professional development team.

EDUCATION

SETEC Institute

2026

Major: Management Information Systems (MIS)

ISTAD Institute

Completed Introduction to IT Engineering (ITE) basic course

SKILLS

Java · Spring Boot · PostgreSQL · Git · Postman · Maven

PROJECT

Fluxibiz — E-commerce / Business Platform

Team project · Java · Spring Boot · PostgreSQL · REST API

- Designed and built REST APIs for product and inventory management.
- Implemented CRUD endpoints (GET/POST) connected to a PostgreSQL database.
- Worked within a layered architecture (Controller-Service-Repository).

Live: fluxibiz.store/store
